

AKHIL MAHARASHTRA EDU. SOCIETY

ANNUAL REPORT 2008- 09

1) EDUCATION DEVELOPMENT PROGRAMME :-

a) Primary school for BPL/SC/ST/Economical backward student :-

Education is the basic elements for advancement of society and a country. We believe that development in the true sense is hardly possible if majority of people remain in the Quagmires of darkness .Therefore we have to set up a primary English medium school With a mission to spread light of education among the people belonging to above community. At present 60 student are gating education facilities from our organization.

b) Computer training programmed :-

Realizing the hard reality that in futurise types of literate people will be there on computer Literate and other who is not a computer literacy for those the society started a computer Training programmed. 80 students are taken basic computer knowledge.

2) Cultural Development Programme :-

a) Observation of Notable Days :-

Our organization has been taken various national / International red latter days every year With active participation and co operation of the local peoples and children's. Independence day, Republic day, Mahatma Gandhi birth anniversary etc. festivals are Celebrated.

b) Sports Events :-

Games and sports are the part of education. Due to financial problem poor children Are not get proper games and sports facility. So our organization has taken some programmes for enhance game spirit of the youth and children. We have conducted Annual sports day in which various sports event conducted and prize were distributed.

3) Medical relief programme :-

In this rural / hilly area medical facility is poor, it cannot reach properly to poor people. Due to this our organization conducted various free medical relief camp by inviting specialist Doctors team from renowned hospital.

A. Free eye check up and free cat rack operation in Pune.

B. Free blood/ urine check up.

C. For newly born baby and small children we conduct plus and polio programme.
